Mr. Thomas Drake
Former Senior Executive, National Security Agency

Mr. Drake was a senior executive at the National Security Agency, where he witnessed billion dollar contract fraud, government wrongdoing, cover up of critical intelligence, and violations of the 4th Amendment and privacy rights of citizens. While there he was also a visiting professor of strategic leadership and information strategies at the National Defense University.

Prior to NSA, Mr. Drake served as an Intelligence Officer in the US Navy Reserve at the National Military Joint Intelligence Center on the Terrorism and Middle East/North Africa Desks. He also served as an analyst with the CIA. He served in the US Air Force on active duty as an airborne Cryptologic Linguist specializing in East Germany.

A recipient of several awards, Mr. Drake now writes and speaks on whistleblowing, the 1st and 4th Amendments, civil liberties, surveillance and abusive government power.

Colonel Michael C. Harasimowicz
Commander, 688th Cyberspace Wing,
Joint Base San Antonio—Lackland, Texas

In his capacity as Commander of the 688th Cyberspace Wing, Colonel Harasimowicz leads over 1,500 professionals in developing, training, and testing information operations tactics and procedures; analyzing and mitigating U.S. cyberspace vulnerabilities; engineering and deploying cyber infrastructure; and integrating communications and computer systems to increase the combat effectiveness of Air Force and Department of Defense elements. Col. Harasimowicz commanded the 91st Network Warfare Squadron, which delivered cyber effects to Central Command's counter-insurgency operations. As the commander of the Air Force Computer Emergency Response Team, he led them to earn the NSA Information Assurance Rowlett Trophy. He also served as the Director for Defense Policy and Strategy in President Obama's National Security Council on cyber policy and homeland defense.

THE SAINT MARY'S HALL
CLASS OF 2016

Presents

ISSUES DAY 2015

Personal Privacy
and
National Security:

Where is the balance?

SAINT MARY'S HALL ISSUES DAY
COATES-SEELIGSON THEATER
THURSDAY, MARCH 19, 2015
8:45 AM

Greetings from the Head of School

To the Saint Mary's Hall Community:

Issues Day 2015

Personal Privacy and National Security:
Where is the Balance?

Welcome to Issues Day! This is an annual Saint Mary's Hall tradition to conduct an in-depth discussion of an intellectual and timely topic. Allowing open and direct study of difficult subjects provides a wonderful compliment to the students and faculty of our school. To encourage such dialogue on the toughest questions of our time shows respect for our students' intellect and maturity while highlighting our faculty's professionalism and abilities in working with our students to help them develop their own beliefs and opinions regarding difficult topics. As in the past, this year's topic is not one which yields an easy answer or simple consensus. However, our students' active participation will help them view opposing opinions as they solidify their own thoughts and beliefs. We are encouraging our community to examine the topic with openness and respect for self and others. I want to thank the Junior Class Issues Day Committee. The speaker line-up alone serves as excellent evidence of the Committee's success and dedication. I also want to express particular and deep gratitude to the faculty leadership on the Issues Day Committee: Barb Bertoldo, Jennifer Arce, Gerri Walls, Jeff Hebert, and Megan Soukup. Enjoy the discourse!

Jonathan Eades
Head of School

The 2015 Issues Day Committee is honored to offer this compelling discussion on Privacy and National Security, an increasingly prominent issue in our time. This year's Issues Day will take an in depth look into surveillance policy and how our society will approach it in the near future.

We would like to express our gratitude to everyone who has contributed to the complex process of coordinating Issues Day, including our sponsors, staff, faculty, family members and especially the esteemed speakers who have donated their time to further our understanding of this topic.

Finally, the Class of 2016 welcomes you to Issues Day 2015!

"I particularly recognize that reasonable people can disagree as to what that proper balance or blend is between privacy and security and safety."

~John Pistole~

Former Administrator of the
Transportation Security Administration

Moderator

**Mr. David Henderson,
Chief of the DWI Task Force,
Bexar County District Attorney's Office**

Mr. Henderson is the chief of the Bexar County District Attorney's Office DWI Task Force. He graduated from the University of Texas in Austin with a BA in Plan II honors in 1998 before obtaining a law degree from UT in 2001. He joined the DA's office in 2006 where he has tried over sixty jury cases to a verdict. Presently, he is lead counsel on all intoxication manslaughter and DWI murder trials. He is a guest lecturer for the Texas District & County Attorney's Association on the subjects of jury selection and using PowerPoint in the courtroom. He is also an active member of Toastmasters International, who in 2010 crowned him the World Champion of Public Speaking after rising to the top of 30,000 contestants from 113 different countries. He received Northside Independent School District's Pillar of Character award in 2011, and was elected to serve on the UT Advisory Council for the School of Undergraduate Studies in 2013.
